Objective
A passionate and creative individual with a deep interest in technology and music. Seeking opportunities to further develop my skills in front-end development, music, and graphic design while contributing to a community that promotes leadership, innovation, and personal growth.

Education

St.John School – Nairobi, Kenya
Grade: 9
Expected Graduation: 2025

- Focus on STEM, ARTS AND SPORTS
- **Top Performer in Grade 9**– [2024-2025]

Skills

- **Front-End Development:** Proficient in HTML, CSS, JavaScript, and React; experienced in building responsive and visually appealing web applications.
- **Music (Double Bass):** Skilled in playing the double bass, with a focus on collaboration, creativity, and emotional expression through music.
- **Graphic Design:** Advanced knowledge of Adobe Illustrator, with experience creating engaging visuals and designing user interfaces.
- **Problem-Solving & Creativity:** Able to blend technical knowledge with artistic vision to create seamless, innovative solutions in web development and design.
- **Teamwork & Collaboration:** Strong ability to collaborate effectively with others, whether in music ensembles or project teams.

Extracurricular Activities

Music Ensemble Member – [Music School/School Band/Private Lessons]
[January, 2022 – Present]

- Perform regularly as part of a music ensemble, focusing on the double bass and other instruments.
- Contribute to group performances, building teamwork and discipline.

Front-End Developer & Graphic Designer – [Freelance/Personal Projects]
[March, 2023 – Present]

- Developed multiple web applications, incorporating both front-end development and graphic design.
- Worked on various design projects using Adobe Illustrator, creating visually appealing interfaces and branding.

Volunteer Work & Leadership Experience

Volunteer Tutor – [At School and home]
[2020 – Present]

- Provided tutoring in Mathematics, Pre-technical, Science, helping students improve their grades and understanding of key concepts.
- Organized weekly study sessions and created lesson plans tailored to individual student needs.
- Developed leadership skills by mentoring younger students and guiding them through academic challenges.

Music Program Assistant – [Local School and Music Academy]
[2023-Present]

- Assisted in organizing and leading music classes for younger students, particularly those learning to play the [instrument you specialize in].
- Worked with teachers to help students practice and improve their skills in music theory and performance.
- Led small group lessons and provided individual guidance, helping students prepare for their performances.

Awards and Achievements

1. **Certification in Child Rights Protection Training** – *Art of Music* – 2023
   Successfully completed training on child rights protection, gaining valuable knowledge in safeguarding children's welfare in various environments, particularly in educational and music settings.

2. **Recommendation Letter** – *Ghetto Classics Music School* – 2024
   Received a glowing recommendation letter from the Ghetto Classics Music School for outstanding performance and contribution to the music program.

Personal Statement

I am a driven and creative individual with a passion for technology and the arts. My experience in web development, music, and graphic design has taught me to approach challenges from different perspectives and combine creativity with practical problem-solving. I am eager to continue learning, strengthen my abilities, and contribute positively to my community. Through education, mentorship, and collaboration, I hope to develop my potential and use my skills to make a meaningful contribution to society.
